Rollie's Pack Rules & Rates

VISION STATEMENT

Rollie's Romper Room primary goal is to provide a safe, doggie friendly environment for our canine companions who stay home while their owners work. When your canine joins the Rollie's Pack you can lay aside the worries of coming home to a house of destruction, accidents, or a clean house but an overly excited dog that will not calm down for hours. While at Rollie's you can have peace of mind that your dog will have a constructive day filled with exercise and socialization making them a happy well-balanced dog. One of our goals at Rollie's Romper Room is to give both owner and canine a relaxing evening together.

WHO CAN BECOME A ROLLIE PACK MEMBER?

Any fixed or neutered dog 12 weeks or older who is a friendly non-aggressive dog. Initial evaluations are required and will be held towards the end of the day when the pack members are a little less excited. During the evaluation, your dog will be introduced to a few pack members so that we can watch how they interact with our staff and a doggie day care environment . Evaluations can range from 30 to 60 minutes. When you put in a request for an evaluation a doggie profile needs to be attached to accompany the request along with a current shot record. Doggie profiles can be found on-line at our website, emailed or picked up at the front counter. Decisions will be made no later than 24 hours after the evaluation.

PACK PAPERWORK

Once the evaluation is complete and we agree that your dog would do well at Rollie's Romper Room you will be given a folder containing the pack paperwork. All pack paperwork must be completed before your dog's first day at Rollie's Romper Room. “Things To Watch For In a New Daycare Dog”

SORE PADS

Running amok may be rough on your dog's feet, and they may get sore and abraded pads. This will go away as their pads get thicker and use to running on different surfaces.

SORE MUSCLES

Your dog will be having so much fun playing at Rollies Romper Room that they may forget to pace themselves and get sore muscles. Over time this will fade as you see them get stronger and more in shape.

EXHAUSTED

The new social interaction your dog will encounter while being at Rollie's Romper Room may be both physically and mentally exhausting. Look for your dog to need a lot of rest when they get home.

ENTHUSIASM

Your dog's enthusiasm to enter the daycare will grow as they get more used to being at Rollie's Romper Room. Eventually they will be just as excited to get to daycare they are when you pick them up at night.

WET COAT ~SUMMER ONLY~

Your dog's coat may be wet when you pick them up on those hot summer days since they may have been lounging in the pools. Not to worry, the water is changed very frequently to keep them clean and healthy.

HAPPY DOG!

Their tail will be wagging and you may even see a smile on their face. It's their way of saying "THANKS" for bringing them to Rollie's Romper Room!
